

You Asked, We Listened!!!

We made our new multiplier games the size of a normal 3 window pulltab but with 2 pulls.

We built FUN & SUSPENSE into these games.

You have normal instant winning tickets!

You have multiplier winning tickets!

Multiplier tickets are always suspenseful and fun as the top window appears the same.

The bottom window is what determines the total dollars won.

You have Pick Board winning tickets

When a player finds a pick board ticket they instantly win \$10 and then proceed to pick a window to open.

Pre-Orders are now being taken as these games will have a huge demand.

4 Games available

In Stock Last week of November

All pick board windows are also multipliers
