#### **Subp. 43. Promotional pull-tab or tipboard ticket.**

**"Promotional pull-tab or tipboard ticket" means a pull-tab or tipboard ticket for which no purchase or consideration is required. The only prizes available to be won are discounts on goods and services available at the site where the game is played. Cash prizes are not permitted with promotional pull-tab or tipboard games.**

Per MN Gambling law, all promotional pulltabs sold by Pulltabs Plus are considered "no purchase necessary pulltabs". This means the purchaser must give the ticket away to players. You cannot tie it to a sale or award cash as prizes. This game must be used by the purchaser. You cannot gift or resell this game to another individual. If you do either, the game becomes contraband and you could be held accountable for the violation of Minnesota gambling laws.

Per state law, all serialized equipment that Pulltabs Plus sells gets reported monthly to the MN Gambling Control Board and the MN Department of Revenue. Promotional Pulltabs are serialized equipment. If they receive a tip there was illegal activity linked to the serialized tickets you just purchased from us such as selling tickets or awarding cash prizes, the State of MN will investigate and could prosecute.
