**You make \$70 profit per spin.**

**This pulltab game uses a meat raffle wheel as the selection device to win cash!!!**

In the game there are 98 tickets at \$2 apiece, players will get some of the following tickets...

**A green/blue/red hold ticket or an instant winner.**

If they buy a ticket they are in the game!

To play the game: sell all tickets - Spin the wheel, the number it lands on is the winning number. Announce it. The color of the players ticket determines the prize category they have won, for example: if the winning number spun on the paddlewheel is Number 1. Whoever has the **red 01 wins \$75**, the **blue 01 wins \$25** and the **green 01 wins \$10**.

Payout cash and sell tickets for the next game.
