Custom Harley - huge difference -
I changed everything

For Sale:
2004 Harley Davidson Heritage Softtail Classic
\$29,000

I bought this Harley in 2004 when it was new and stripped it down immediately and rebuilt it into a Las Vegas theme bike. I wanted a Harley that was a Show bike, Bar hopper and Long haul bagger all in one. This bike achieves all the above.

The list is too long for what has been put on the bike.

If interested call or email me.
