## **See the State law below on the use of promotional pulltabs!!!**

Note 7861.0210 subp. 43 is the statute that pertains to the use of a promotional pulltab. Make sure your intended use falls under this law. If it does not, do not use this game because it may be deemed illegal and you could face possible criminal charges, taxes, and fines.

### **7861.0210 DEFINITIONS**

**Subp. 43. Promotional pull-tab or tipboard ticket.**

**"Promotional pull-tab or tipboard ticket" means a pull-tab or tipboard ticket for which no purchase or consideration is required. The only prizes available to be won are discounts on goods and services available at the site where the game is played. Cash prizes are not permitted with promotional pull-tab or tipboard games.**

**All promotional pulltabs sold by Pulltabs Plus are "no purchase necessary pulltabs". This means you must give the ticket away to players. You cannot tie it to a sale or award cash as prizes. Doing any of the above is a violation of Minnesota gambling laws.**

**Per state law, all serialized equipment that Pulltabs Plus sells gets reported monthly to the MN Gambling Control Board and the MN Department of Revenue. Promotional Pulltabs are serialized equipment. If they receive a tip there was illegal activity linked to the serialized tickets you just purchased from us such as selling tickets or awarding cash prizes, the State of MN will investigate and could prosecute.**

**This game must be used by the purchaser. It is against state law to gift this game to another individual or to resell this game to another individual. If you do either, the game becomes contraband and you could be held accountable for the violation.**

**If you would like to clarify any questions or concerns you may have regarding the legality of this game before playing, we suggest you contact:  
MN Dept of Public Safety at 651-201-7524**

**The only person allowed to return this game for credit is the original purchaser.**
