# Introducing **GAME TIME!**

## The **SPORTSBOARD** that plays like a pulltab. **Players can win up to \$3300**

Why play this sportsboard? It is simple to play! Here is how this game works. Customers purchase tickets and open them up similar to a normal pulltab. The only difference is they are earning a spot on one of the four 100 # boards on the flare. There are prizes awarded for 1st Quarter, 2nd Quarter, 3rd Quarter and Final Score which is the 4th Quarter or overtime score. The player takes the ticket to the booth and confirms to the seller what numbers they have. The seller validates the corresponding squares on the GAME TIME flare with the person's initials or a letter X. There is a sign up sheet (not required) if the charity prefers to register the player's name and contact number on that as well. The player holds onto the ticket and has 7 days after the game is called to claim any winning prize. The Player must present winning ticket to claim prize. No ticket = No prize

There are (2) board options available, a \$5.00 Board and a \$10.00 Board. Both boards have 392 ticket counts which should not be that difficult to pre-sell. The prize awards are very attractive so the seller should suggest to each player they play it like a pulltab by buying \$20-\$40. See attached flyers for this exciting NEW Sportsboard along with the opportunity for a high Gross Profit for your organization!
